From The Earth

Dear David:

On behalf of our staff, Board of Director and Executive Chairman Jeffrey Hathaway, we would like to thank you for your generous \$3,000 donation to Food Share.

For With your gift, you join thousands of Ventura County residents who are working to alleviate hunger in our community. Currently, 1 in 6 people in Ventura County is food insecure and in need of assistance. Chances are you know some of those who your gift is helping. Your support goes a long way in our fight to eliminate hunger with every \$1 dollar donated providing \$5 dollars of healthy, nutritious food.

As the largest hunger-relief organization in Oxnard as well as Ventura County, partnerships with community-focused businesses such as the From The Earth are critical to our success. With your support, Food Share can continue to serve low-income and unserved residents of Oxnard and county-wide with the goal of improving the quality of life for its residents.

Food Share welcomes the From The Earth to our community and we look forward to growing our partnership through your continued support of our important work.

Thank you for your consideration.

Sincerely,
