

Re: Letter of Support for From The Earth, LLC

To Whom It May Concern:

This letter is sent in support of From The Earth's application in your city. From The Earth is managed by Kintu Patel and is a licensee of From The Earth, the dispensary brand created by Mr. Patel.

From The Earth has an operating dispensary at 3023 S Orange Ave. Santa Ana, CA 92707, who has been operating since late 2015.

Prior to From The Earth, Orange Avenue and surrounding areas were plagued with homelessness, crime, weekly graffiti and vandalism. Mr. Patel has taken measures to end all of these ills by providing a state-of-the-art facility with a 24/7 security guard, along with additional parking lighting.

Also, through advocacy, education, and innovation From The Earth has been focused on working to raise awareness and increase education of the market and its benefits. They have consistently been striving to being a part of the solution for issues facing Santa Ana and Orange County.

I would strongly support any attempt by Mr. Patel to open a cannabis-related retail business in your or any other city as he clearly has the experience and competence to create a company that any community would be proud to welcome.

Thank you for your consideration.

Sincerely,

Name: _____
