To Whom It May Concern:

I am writing to recommend that you consider allowing From The Earth to operate in your city.

It has been my pleasure to work alongside From The Earth, who has gone above and beyond in ways to give back to the homeless community.

Our relationship with From The Earth has aided many in Santa Ana's homeless community.

From The Earth has donated supplies that are not readily available for those in need and has given aid to over 200 people at our facility.

Their generosity and helpfulness is exceptional. They would be an asset to have in any community.

Please feel free to reach out to me if I can be of further assistance.

Sincerely,

Jasmin Sepulveda
